A new General Manager for Goldenfields Water announced

Goldenfields Water has this week welcomed Mr Aaron Drenovski to lead the organisation, appointing him to the role of General Manager.

Mr Drenovski has been fulfilling the role of Interim Engineering Manager at Goldenfields Water since December 2018 and brings to the organisation a wealth of knowledge and excellent experience in Local Government. With over 10 years experience in senior management roles; Mr Drenovski has worked for a number of rural councils as well as Murray Irrigation including 3 1/2 years as a Council General Manager. Mr Drenovski has a Bachelor of Civil Engineering and Business as well as a Master of Business Administration.

Newly appointed General Manager Mr Drenovski is pleased to be given the opportunity and is “looking forward to providing stable leadership to keep on delivering an excellent service to the community as well as working along side all staff to guide the company into a continued successful future.”

Goldenfields Water Chairperson Cr Dennis Palmer said “on behalf of the Board I welcome Mr Drenovski to the role and trust he will provide clear leadership direction and foster our values of Integrity, Trust, Respect, Teamwork and Continuous Improvement.”

Cr Palmer further commented “the Board would like to thank Mr Graeme Haley for his leadership as Interim General Manager over the past three months, and we thank all staff for their continued hard work and determination.

Mr Drenovski will commence his role as General Manager on Monday 25th March.
